

# CareOregon Dental

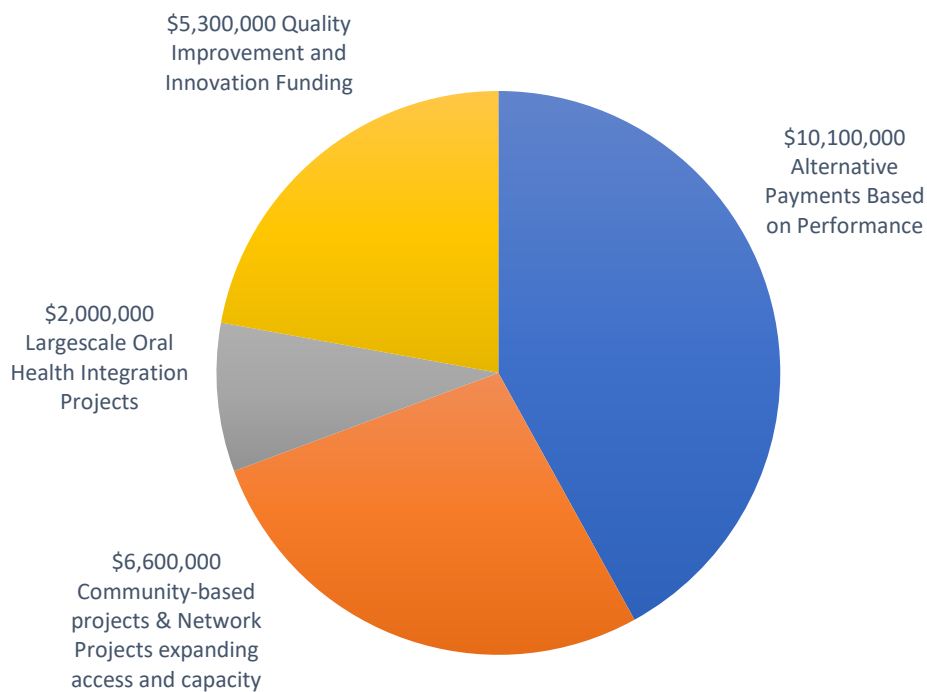

Founded August 1, 2012

## Investment in our Network

Since 2015, CareOregon Dental has invested

# \$24 MILLION

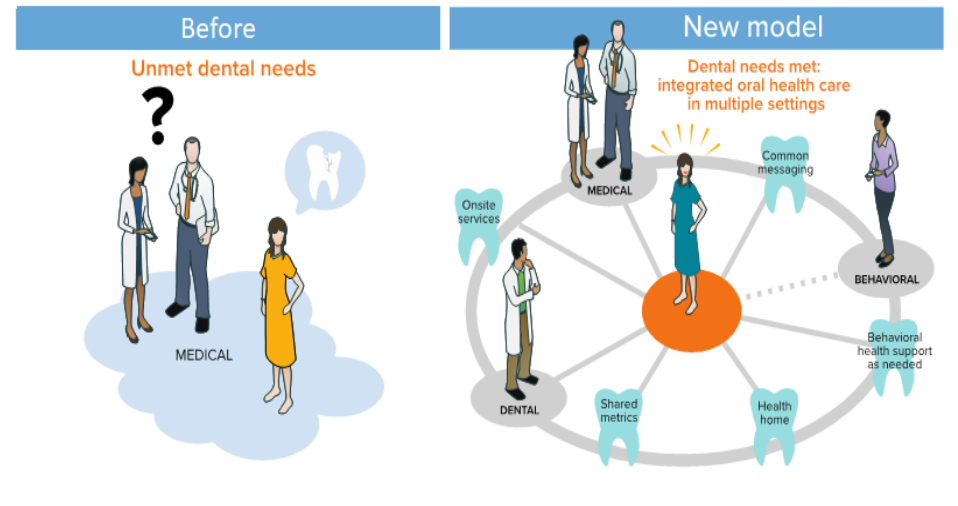

in our provider network.

## Oral Health Improvement Projects (OHIP)

\$2,000,000 Investment

Launched in 2017, OHIP projects focus on oral health, physical health, and behavioral health integration within our FQHC co-located dental network.

## Dental3 (D3) Founders

CareOregon Dental was a founding partner when it formed in 2014, and we continue to be a part of D3's unique partnership of Medicaid Dental Plans, CCOs and Community Partners connecting individuals to services through outreach, addressing barriers to care, and providing free services to uninsured children.

### D3 Services

- Care Coordination & Referrals
- Pre-K Dental Screening & Fluoride Varnish Program
- School-Based Dental Screening & Sealant Program

### D3 Numbers

- 59,056 Screenings Conducted
- 108,359 Teeth Sealed
- 54,050 Fluoride Varnish Applications

## Membership Has More than Tripled Since 2012

Membership increased from 33,415 in 2012 to 100,506 in 2022.

## CareOregon Dental Department Increased by More Than 6x

The Dental Team evolved from operational oversight to drivers for progress and service, embracing innovation through data, forethought, and care coordination. Program evolution is exemplified by newer roles; CCO Dental Portfolio Manager, Operations & Quality Improvement Analyst, and Dental Care & Outreach Specialist.

2012 3 FTE

2022 18.9 FTE
